

## PANZURA DATA SERVICES NOTICES REGARDING OPEN SOURCE SOFTWARE COMPONENTS

Versions of open source libraries or components, or portions thereof, (“OSS Components”) may be utilized, embedded, bundled, or otherwise included in Panzura Data Services. The OSS Components were developed by third parties and licensed under certain open source software licenses. The OSS Components may be governed by additional or different license rights, terms, and conditions and may require that the source code form be forwarded to end users. The following URLs to the source code form of such OSS Components are provided below pursuant to the relevant open source software licenses governing the OSS Components.
